

# *Journal of Taphonomy*

Dear authors, readers and subscribers,

*Journal of Taphonomy* has resumed its periodicity by publishing just a single issue in 2013, 2014, 2015 and 2016. Individuals or institutions subscribed in 2013 have received these four issues. Individuals or institutions subscribed any year after 2013 will receive four consecutive issues, starting at the moment of subscription, since the original periodicity of four issues per year is no longer guaranteed.

This volume is a triple issue and subscribers will also receive the following issue.

We apologize for any inconvenience and we welcome manuscripts.

Sincerely,

*Journal of Taphonomy*
